

# EXPERIENCE MAKES GOOD SENSE

Making the grade in today's world requires preparation of sound, responsible, environmental plans and actions. Comprehensive recycling strategies are our obligation.

- 2cg** creates original strategies tailored to meet specific needs
- 2cg** understands how to minimize costs and maximize capture rates
- 2cg** proven results in hard to capture sectors
- 2cg** will optimize current recycling operations
- 2cg** provides consulting services to municipalities and commercial clients

# Recycling
